The New Milford YMCA Program Center/Greater Bergen County YMCA

Welcome. When you join the Y, you're coming together with men, women and children from your community who are committed to youth development, healthy living and social responsibility. The Y offers programs, services and initiatives that focus on these three areas, according to the unique needs of the communities we engage.

We know firsthand how difficult it can be to find balance in life. That's why we're here with you every day, making sure that you, your family and your community have the resources and support needed to learn, grow and thrive.

We do that by encouraging good health and fostering connections with new and old friends through sports, fun and shared interests. The Y, a nonprofit organization, welcomes your participation and support.

DEDICATED AWARDS

Richard Poor Service to the Community Award

Dick Poor was one of the founders of the YMCA Athletic Achievement Awards Banquet, now called the Sports Award Banquet, which was started in 1966 and grew out of the Y's pioneering interest in, and emphasis on, sports and physical fitness as a means of character development. He served on the committee until his death. A member of the YMCA Board of Managers for many years, Dick was a career banker with a lifelong interest in both young people and sports. He had a strong dedication to the betterment of life in Bergen County.

Thomas L. Della Torre Special Achievement Award

Tommy Della Torre, renowned football coach, athletic director, disciplinarian, mentor, friend and member of the YMCA of Greater Bergen County's Board of Directors, was dedicated to youth, sports and family. This award is given to someone who embodies Tom's attributes and ideals, as well as the values of spirit, mind and body for which the YMCA stands.

J. Barry Stanford Award for Outstanding Achievement in High School Sports

This Special Achievement Award is given to recently graduated high school students who have received significant recognition in sports. It was renamed posthumously in honor of Barry Stanford, who served on the Sports Award Banquet Committee for over 30 years and was passionate about high school sports and the young people involved in them.

Nicholas G. Saingas Service to Youth Award for Contribution to High School Athletics

Although Nick Saingas did not join the Awards Committee until after his retirement from Public Service, he had been a strong supporter of the Sports Award Banquet for many years. An avid athlete all his life, he understood the importance of sports in the development of young people. His impact on others was great. He was a true friend to our youth and generously contributed his time and talents both to them and to activities which benefited their lives.

Walter E. Goepel Amateur Athlete of the Year Award

Involved with the YMCA of Greater Bergen County off and on throughout his life, Walt Goepel in his later years served on both the Sports Award Banquet Committee and the YMCA Board of Directors. Once a nationally ranked tennis player, he was a 12-time Bergen County tennis champion in both singles and doubles, and a New Jersey state singles champion.

William J. "Mickey" Corcoran Award

This award is named after the longtime Northern Highlands and River Dell athletic director and coach, Mickey Corcoran, whose service to the high school athletes in this area covers six decades. "The Mentor" was a long-time member of the YMCA Sports Award Committee and the Bergen County Coaches' Association Basketball Jamboree Committee. His contributions to high school athletics, the many students he helped, the countless number of coaches he counseled and friends he made along the way made Mickey one of the legendary figures in Bergen County athletic history.

High School Student | Athlete Award

Awarded to five male athletes and five female athletes who have recently graduated high school. These awardees are student-athletes, who have received some type of All-County Recognition from First Team to Honorable Mention in at least one sport and have satisfactory academic achievement.
