INDEPENDENT AUDITORS' REPORT

The Board of Directors
The Metropolitan Young Men's Christian Association of the Oranges, Inc.
304 S Livingston Avenue
Livingston, New Jersey 07039

Opinion

We have audited the accompanying combined financial statements of The Metropolitan Young Men's Christian Association of the Oranges, Inc. (a nonprofit organization), which comprise the combined statements of financial position as of December 31, 2025, and the related combined statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the combined financial statements.

In our opinion, the combined financial statements referred to above present fairly, in all material respects, the financial position of The Metropolitan Young Men's Christian Association of the Oranges, Inc. as of December 31, 2025, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the combined Financial Statements section of our report. We are required to be independent of the Metropolitan Young Men's Christian Association of the Oranges, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Combined financial statements

Management is responsible for the preparation and fair presentation of the Combined financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of combined financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the Combined financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Metropolitan Young Men's Christian Association of the Oranges, Inc.'s ability to continue as a going concern within one year after the date that the combined financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Combined financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the combined financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the combined financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the combined financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Metropolitan Young Men's Christian Association of the Oranges, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the combined financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Metropolitan Young Men's Christian Association of the Oranges, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the combined financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards and New Jersey (NJ) Circular Letter 25-12 OMB Single Audit Policy for Recipients of Federal Grants, State Grants and State Aid*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated June 10, 2026 on our consideration of The Metropolitan Young Men's Christian Association of the Oranges, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of The Metropolitan Young Men's Christian Association of the Oranges, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering The Metropolitan Young Men's Christian Association of the Oranges, Inc.'s internal control over financial reporting and compliance.

Report on Summarized Comparative Information

We have previously audited The Metropolitan Young Men's Christian Association of the Oranges, Inc.'s 2024 combined financial statements, and we expressed an unmodified audit opinion on those audited combined financial statements in our report dated August 19, 2025. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2024, is consistent, in all material respects, with the audited combined financial statements from which it has been derived.

NOTES TO COMBINED FINANCIAL STATEMENTS

DECEMBER 31, 2025 AND 2024

NOTE 1 - ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES

Nature of Organization

The Metropolitan Young Men's Christian Association of the Oranges, Inc. ("YMCA") is a New Jersey not-for-profit corporation operating seven local branches and a central association office. Revenue is generated in numerous ways, including program activities, memberships, and grants from governmental and private sources, fees and donations.

The YMCA has an agreement with The Young Men's and Young Women's Hebrew Association of North Jersey ("YM-YWHA") located in Wayne, New Jersey, so that it can be operated as a branch of the YMCA. The agreement provides that all facilities of the YM-YWHA are leased to and operated by the YMCA (see Note 6). The YMCA does not control the separate YM-YWHA not-for-profit entity and therefore, the interest in the YM-YWHA is not included in the combined financial statements.

The Wayne branch was sold on December 13, 2024 and per a settlement agreement dated November 7, 2024 between the YM-YWHA and the YMCA, the YMCA received proceeds from the sale of \$5,784,037. This amount is presented as a settlement agreement on the statement of activities for the year end December 31, 2024.

Mission Statement

The YMCA's mission is to strengthen community through youth development, healthy living, and social responsibility.

Program Activities

The major program activities are described as follows:

a. **Membership Activities**

Members use the YMCA facilities and the many programs for personal activities.

b. **Community Wellness**

Extensive programs are sponsored daily for children between ages of 3 through 17 throughout our community to engage youth in healthy, safe, recreational and enrichment activities. Health and wellness activities are available for community members of all ages. The YMCA also delivers community-building programs for all community members and mental health programs in its community services.

c. **Camp**

Children between the ages of 8 and 15 spend up to 8 weeks at our three residential camps, enjoying sponsored outdoor activities. Children between the ages of 3 and 17 spend up to 10 weeks at our various day camps.

d. **Youth Activity**

Youth under the age of 18 enjoy a range of activities designed to promote and support their social, emotional and physical development.

e. **Child Care**

Childcare centers have been established for infants, toddlers and preschoolers during the normal working day. School age child care is provided before and after school.

f. **Property Management**

Property management is to operate and maintain all facilities, including but not limited to, pools, gymnasiums, cabins, buildings, dining halls and kitchens.

NOTE 1 - ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (Continued)

Principles of Combination

The accompanying combined financial statements have been prepared using the accrual basis of accounting and include accounts representing all Branches as follows: Association Services, East Orange, Fairview Lake YMCA Camps, South Mountain, Sussex County, West Essex, Wayne and Greater Bergen. All significant inter-branch and inter-association transactions and balances have been eliminated in combination.

Comparative Financial information

The YMCA's combined financial statements are prepared in accordance with the provisions of ASC Topic 958 "Financial Statements of Not-for-Profit Organizations." ASC Topic 958 establishes standards for general purpose, external financial statements of financial position, activities, cash flows and functional expenses. It also requires that an organization's net assets and its revenues, expenses, gains and losses be classified based on the existence or absence of donor-imposed restrictions.

The combined financial statements include certain prior-year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the organizations financial statements for the year ended December 31, 2023, from which the summarized information was derived.

Cash and Cash Equivalents

We consider all cash and highly liquid instruments with original maturities of three months or less, which are neither held for nor restricted by donors for long-term purposes, to be cash and cash equivalents. All cash with and without restrictions on the statement of financial position are included as cash for cash flow statement purposes.

The following table provides a reconciliation of cash, cash equivalents, and designated cash reported within the statements of financial position to the sum of the corresponding amounts within the statements of cash flows:

| | <u>2025</u> | <u>2024</u> |
|--|----------------------|----------------------|
| Cash and cash equivalents | \$ 11,255,787 | \$ 12,576,377 |
| Cash designated by board for future projects | <u>110,131</u> | <u>250,771</u> |
| | <u>\$ 11,365,918</u> | <u>\$ 12,827,148</u> |

Inventories

Inventories consisting of merchandise, supplies and food are carried at the lower of cost or market on a first-in first-out basis.

Receivables and Credit Policies

Accounts receivable consist primarily of noninterest-bearing amounts due from YMCA members and participants in accordance with the respective agreements established by the YMCA. The YMCA determines the allowance for uncollectable accounts receivable based on the amount management expects to collect from outstanding balances. Customer account balances with invoices dated over 30 days old are considered delinquent.

NOTES TO COMBINED FINANCIAL STATEMENTS

DECEMBER 31, 2025 AND 2024

NOTE 1 - ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (Continued)

Receivables and Credit Policies (continued)

In addition, the YMCA considers the historical account write-off trends, facts about the current financial condition of the debtor, forecasts of future operating results based upon current trends and macroeconomic factors. Management provides for uncollectible accounts through a provision for credit loss expense. In accordance with our policies, the carrying amount of accounts receivable is reduced by a valuation allowance.

The allowance for uncollectible accounts amounted to \$133,006, \$111,395 and \$117,144 at December 31, 2025, 2024 and 2023, respectively. Credit loss expense (recovery) in 2025, 2024 and 2023 amounted to \$26,258 \$131,837 and \$(29,283), respectively.

Investments

The YMCA records investment purchases at cost, or if donated, at fair value on the date of donation. Thereafter, investments are reported at their fair values in the statements of financial position. Net investment return/(loss) is reported in the statements of activities and consists of interest and dividend income, realized and unrealized capital gains and losses, less external investment expenses.

The YMCA has debt and equity securities which are subject to market activities and fluctuations. Investments in funds are subject to risk conditions of the individual fund objectives, stock market fluctuations, interest rates, economic conditions and world affairs. The realization is dependent upon economic stability of the securities and issuing entities. At various times throughout the year, the YMCA maintain investment balances at financial institutions which may exceed insured limits.

The YMCA maintains an investment portfolio advisor to oversee its investment portfolio.

The YMCA policy is to sell donated securities immediately, and accordingly, for purposes of the accompanying statement cash flows, donated securities received and sold in the same year are reported in the change in net assets shown in operating activities.

Debt Issuance Costs

The YMCA follow the requirements in FASB ASC 835-30 to present debt issuance costs as a reduction of the carrying amount of the debt rather than as an asset. Amortization of the debt issuance costs is reported as interest expense in the statements of activities and functional expenses.

Land, Buildings and Equipment

The YMCA records property and equipment additions over \$5,000 at cost, or if donated, at fair value on the date of donation. The costs of all routine recurring computer equipment are directly expensed. Depreciation is computed using the straight-line method over the estimated useful lives as follows: buildings and improvements - 10 to 60 years; machinery and equipment, furniture and fixtures and transportation equipment - 5 years. Land is not depreciated. Costs of maintenance and repairs that do not improve or extend the useful lives of the respective assets are expensed currently. When assets are sold or otherwise disposed of, the cost and related depreciation are removed from the accounts and any resulting gain or loss is included in the statements of activities.

Split Interest Agreement

The YMCA has entered into an irrevocable agreement with a donor whereby in exchange for the gift from the donor, the YMCA is obligated to make payments to the donor for a specific number of years.

NOTES TO COMBINED FINANCIAL STATEMENTS

DECEMBER 31, 2025 AND 2024

NOTE 1 - ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (Continued)

Split Interest Agreement (continued)

A liability is recognized for the estimated present value of the annuity obligation and the assets are recorded at their gross market value for agreements. The discount rate and actuarial assumptions used in calculating the annuity obligation are those provided in Internal Revenue Service guidelines and actuarial tables.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates that affect the amounts reported in the financial statements. Actual results could differ from those estimates.

Basis of Presentation

The financial statements of the YMCA have been prepared in accordance with U.S. generally accepted accounting principles which require the Organization to report information regarding its financial position and activities into the following net asset classifications:

Net Assets without Donor Restrictions

Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions. The governing board (the "Board") has designated, from net assets without donor restrictions, net assets for an operating reserve and board-designated endowment.

Net Assets with Donor Restrictions

Net assets subject to donor (or certain grantor) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates those resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statement of activities.

Revenue and Support Recognition

The YMCA has multiple revenue streams that are accounted for as reciprocal exchange transactions including membership and program fees. Contributions are recorded as revenue when an unconditional promise to give has been made. Contributions are recorded as with donor restrictions or without donor restriction, depending on donor intent.

Because the YMCA's performance obligations relate to contracts with a duration of less than one year, the YMCA has elected to apply the optional exemption provided in FASB ASC 606-10-50-14(a), Revenue from Contracts with Customers, and, therefore, is not required to disclose the aggregate amount of the transaction price allocated to performance obligations that are unsatisfied or partially unsatisfied at the end of the reporting period. There are no incremental costs of obtaining a contract and no significant financing components.

NOTE 1 - ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (Continued)

Revenue and Support Recognition (Continued)

Membership dues and program fees consist of amounts that families and individuals pay to participate in health, fitness, education and recreation activities and programs. Members join for varying lengths of time. Memberships provide use of the recreation facilities, access to free classes, programs and activities, and discounts to fee-based programs. The YMCA offers a variety of programs including family, child care, day camp, resident camp, teen, scholastic, fitness, aquatics, and health programs. Program fees for short duration programs of two months or less, are typically paid in advance at the time of registration. Program fees for longer duration programs, such as fee-based childcare, are usually paid monthly in advance. Cancellation provisions vary by program, but most transactions are cancellable with 30 days' notice. Financial assistance is available to members and program participants. Such financial assistance is reflected as a reduction of gross membership dues and program fees.

Membership dues and program fees paid to the YMCA in advance represent contract liabilities and are recorded as other deferred revenue. Amounts billed but unpaid are contract assets and recorded as accounts receivables.

Contributions are recognized when cash, securities or other assets, an unconditional promise to give, or notification of a beneficial interest is received. Conditional promises to give are not recognized until the conditions on which they depend have been substantially met. In the absence of donor restrictions, contributions and bequests are considered to be available for unrestricted use and are recorded as without restrictions at their fair market value.

Donated Services and In-Kind Contributions

Volunteers contribute significant amounts of time to our program service, administration, and fundraising and development activities. Contributed goods are recorded at fair value at the date of donation. The YMCA reviewed the rate at which the services were valued and updated the rate based on published rate data. Contributed services from unpaid volunteers in the amount of \$377,997 and \$467,125 have been recognized in the accompanying 2025 and 2024 combined statement of activities, respectively, because the criteria for recognition of such volunteer efforts have been satisfied. In addition, during 2025 and 2024, the YMCA received in-kind contributions in the amount of \$47,975 and \$19,567, respectively.

Endowment

The YMCA's endowment consists of both donor-restricted and board designated funds. The purpose of the donor-restricted funds is to sustain the YMCA's mission in the community. As required by generally accepted accounting principles (GAAP), net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

Interpretation of Relevant Law

The Board of Directors has determined that the New Jersey Prudent Management of Institutional Funds Act (NJ-PMIFA), an enacted version of the Uniform Prudent Management of Institutional Funds Act (UPMIFA), applies to the YMCA's endowment fund. UPMIFA provides guidance and authority to charitable organizations concerning the management and investment of funds held by those organization, and UPMIFA imposes additional duties on those who manage and invest charitable funds. These duties provide additional protections for charities and also protect the interest of donors who want to see their contributions used wisely.

Endowment (Continued)

Investment Policy Statement

The fundamental investment objectives for investments are to ensure safety and preservation of principal, meet liquidity needs, apply diversification and risk limits appropriate to the investments and achieve optimal new investment returns subject to the risk tolerance, investment objectives and policy constraints. The YMCA's objective is to distribute the income earned during the reporting period.

Spending Policy Statement

In making expenditures from endowment funds, the Board of Directors complies first with any restrictions or requirements in the gift instrument as to purpose and amount. Except as otherwise provided by the gift instrument, in making expenditures from endowment funds, the Board takes into account all relevant considerations including, but not limited to, the long and short-term needs of the YMCA in carrying out its purposes, its present and anticipated financial requirements, expected total return on its investments, price level trends, and general economic conditions. The Board conducts annual analysis of the historic dollar value of the endowment funds and relies on a total return strategy in which investment returns are achieved through both capital appreciation and current yield. The YMCA has a policy of appropriating for distribution each year its endowment fund's average interest and dividend income over the prior 3 years through the calendar year-end preceding the year in which the distribution is planned.

Functional Allocation of Expenses

The costs of program and supporting services activities have been summarized on a functional basis in the statements of activities. The statements of functional expenses present the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited. The expenses that are allocated include occupancy, CEO, COO, and marketing. The occupancy allocations are based on programmatic square footage. The CEO, COO and marketing allocations are based on time and effort, earned revenue, and program participation.

Income Taxes

The YMCA is organized as a New Jersey nonprofit corporation and has been recognized by the IRS as exempt from federal income taxes under IRC Section 501(a) as an organization described in IRC Section 501(c)(3), qualify for the charitable contribution deduction under IRC Section 170(b)(1)(A)(vi) and (viii), and has been determined not to be a private foundation under IRC Sections 509(a)(1) and (3), respectively. The YMCA is annually required to file a Return of Organization Exempt from Income tax (Form 990) with the IRS. In addition, the YMCA is subject to income tax on net income that is derived from business activities that are unrelated to their exempt purposes. The YMCA has determined that the YMCA is not subject to unrelated business income tax and has not filed an Exempt Organization Business Income Tax Return (Form 990T) with the IRS.

The YMCA's Forms 990, Return of Organization Exempt from Income Tax are subject to examination by the IRS, generally for three years after the date they were filed. Also, the YMCA's New Jersey Form CRI-300R is subject to examination by the State, generally for four years after they were filed.

Fair Value Hierarchy

Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. FASB ASC 820-10 - Fair Value Measurements establishes a fair value hierarchy, which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The standard describes three levels of inputs that may be used to measure fair value:

Level 1: Quoted prices in active markets for identical assets or liabilities. Level 1 assets and liabilities include debt and equity securities that are traded in an active exchange market, as well as U.S. Treasury securities.

Level 2: Observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities. Level 2 assets and liabilities include debt securities with quoted market prices that are traded less frequently than exchange-traded instruments. This category generally includes certain U.S. Government and agency mortgage-backed debt securities, corporate-debt securities and alternative investments.

Level 3: Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the asset or liabilities. Level 3 assets and liabilities include financial instruments whose value is determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant management judgment or estimation. This category generally includes certain private debt and equity instruments and alternative investments.

Fair value estimates are made at a specific point in time, based on available market information and judgments about the financial asset, including estimates of timing, amount of expected future cash flows and the credit standing of the issuer. In some cases, the fair value estimates cannot be substantiated by comparison to independent markets. In addition, the disclosed fair value may not be realized in the immediate settlement of the financial asset. In addition, the disclosed fair values do not reflect any premium or discount that could result from offering for sale at one time an entire holding of a particular financial asset. Potential taxes and other expenses that would be incurred in an actual sale or settlement are not reflected in amounts disclosed.

Impairment of Long-Lived Assets

The YMCA reviews long lived assets for impairment whenever events or changes in business circumstances indicate that the carrying value of the assets may not be recoverable. Impairment losses are recognized if expected future cash flows of the related assets are less than their carrying values. There is no current indication that the company's long-lived assets are not recoverable.

Financial Instruments and Credit Risk

We manage deposit concentration risk by placing cash money market accounts, and certificates of deposit with financial institutions believed by us to be creditworthy. At times, amounts on deposit may exceed insured limits or include uninsured investments in money market mutual funds. To date we have not experienced losses in any of these accounts.

NOTES TO COMBINED FINANCIAL STATEMENTS

DECEMBER 31, 2025 AND 2024

NOTE 1 - ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (Continued)

Financial Instruments and Credit Risk (continued)

Credit risk associated with accounts receivable and promises to give is limited due to high historical collection rates. Investments are made by diversified investment managers whose performance is monitored by us and the investment committee of the Board of Directors. Although the fair values of investments are subject to fluctuation on a year-to-year basis, we and the investment committee believe that the investment policies and guidelines are prudent for the long-term welfare of the YMCA.

Accounting Pronouncements

Current Expected Credit Losses Standards

Effective January 1, 2023, the YMCA adopted ASU 2016-13, *Financial Instruments—Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments*, as amended, which modifies the measurement of expected credit losses on certain financial instruments. The YMCA adopted this new guidance utilizing the modified retrospective transition method. Topic 326 requires measurement and recognition of expected versus incurred losses for financial assets held. Financial assets held by the YMCA that are subject to ASU 2016-13 include trade accounts receivable. The adoption of this ASU did not have a material impact on the YMCA's financial statements but did change how the allowance for credit losses is determined.

Leases

The YMCA calculates operating lease liabilities with a risk-free discount rate, using a comparable period with the lease term. All lease and non-lease components are combined for all leases. Lease payments for leases with a term of 12 months or less are expensed on a straight-line basis over the term of the lease with no lease asset or liability recognized.

Subsequent Events

The YMCA has evaluated subsequent events through June 10, 2026, which is the date the financial statements were available to be issued.

NOTE 6 – OPERATING LEASE LIABILITY

The YMCA entered into various non-cancelable operating lease agreements for program and childcare facilities. Certain operating leases contain escalation clauses for the prorate share of operating costs, property taxes, repairs (inclusive of structural repairs) and insurance.

In connection with the "Integration Agreement" with the YM-YWHA, the YMCA entered into an initial five (5) year lease agreement with the YM- YWHA, with an option to renew for four five (5) year periods. The renewal periods automatically renew for another five-year period, unless the YMCA decides to give written notice otherwise. The second five (5) year lease term expires August 31, 2026. The monthly base rent is equal to the amounts required by the lending institution to routinely liquidate the landlord's mortgage and credit line indebtedness. On May 1, 2020, the lending institution agreed to defer the principal and interest on the mortgage indebtedness for the period May 1, 2020 through July 1, 2020, thus giving the YMCA a three-month rent deferral. Once the mortgage and credit line are paid in full, the annual base rent through the remainder of the term shall be \$300,000 per annum, payable in monthly installments of \$25,000.

The Wayne branch was sold on December 13, 2024 and per a settlement agreement dated November 7, 2024 between the YM-YWHA and the YMCA, the YMCA received proceeds from the sale of \$5,784,037. This amount is presented as a settlement agreement on the statement of activities for the year end December 31, 2024.

NOTE 6 – OPERATING LEASE LIABILITY (continued)

The YMCA has the following leases:

Facility used for one of its childcare programs at an annual rental of \$7,500, expiring April 30, 2023, with an option to renew for a five (5) year period at an increased annual rent of \$10,000.

Facility used for one of its programs at an annual rental currently at \$81,000, with annual increases, expiring June 2031.

The YMCA entered into an agreement to use a Facility for one of its programs. The agreement expires on November 2031, with increasing monthly rents. The annual rental is currently at \$220,761.

The YMCA entered into an agreement to use a facility for one of its childcare programs. The agreement expired on December 2024. The annual rental was \$180,000.

Three (3), ten (10) year operating lease agreements for camp facilities at Harriman State Park with the Palisades Interstate Park Commission. The current leases require aggregate annual payments of \$22,788 which can be reduced by up to 25% each year for any capital improvements made to the camp facilities by the YMCA. The YMCA was granted a 50% reduction in annual payments for 2020 due to COVID-19 and the inability to run its camp programs. These leases expire in 2027.

On January 24, 2022, the YMCA entered into an initial five (5) year lease agreement for a new location, with a five-year option to renew. The annual rental is currently at \$276,582, with annual increases, expiring December 31, 2026.

On February 3, 2023, the YMCA entered into an initial five (5) year lease agreement for location in Livingston, New Jersey. The annual rental is currently at \$35,250, with annual increases, expiring February 28, 2028.

On May 24, 2024, the YMCA entered into an agreement to use a facility for programs. The agreement expires on August 2029, with increasing monthly rents. The annual rental is currently at \$119,137.

On November 1, 2024, the YMCA entered into an agreement to use a facility for programs. The agreement expires on December 31, 2029, with increasing monthly rents. The annual rental is currently at \$104,255.

On December 3, 2024, the YMCA entered into an agreement to use a facility for programs. The agreement expires on December 31, 2029, with increasing monthly rents. The annual rental is currently at \$120,000.

NOTE 11 – SCHOLARSHIP AND FINANCIAL ASSISTANCE PROGRAMS

The YMCA's financial assistance programs during 2025 and 2024 were made possible through the YMCA's Annual Support Campaign and awarded or supported 4,070 and 3,493 children, families, and individuals, respectively. In 2025 and 2024, recipients received approximately \$2,403,907 and \$2,406,852 in financial assistance and program subsidies, respectively.

NOTE 12 – EMPLOYEE BENEFIT PLANS

The YMCA participates in the YMCA Retirement Fund 403(B) which is a mandatory national contributory defined contribution plan for the benefit of all eligible professional and support staff employees who qualify under applicable participation requirements. The YMCA contributes 12% of compensation for eligible employees. Employees may choose to contribute additional funds under a 403(b) plan up to a maximum established by the IRS. Under the plan all contributions are remitted monthly to a trustee. Upon retirement, participants' vested benefit will generally be used to purchase a retirement annuity contract. Forfeitures are used to offset future contributions.

In accordance with the agreement with the YMCA Retirement Fund, the YMCA can choose a contribution rate and within that contribution rate the YMCA can choose if the employees will need to contribute to the plan. The YMCA's contribution rate percentage for 2025 and 2024 is 12%. Contributions made by the YMCA to the plan amounted to \$1,548,152 in 2025 and \$1,507,993 in 2024.

The YMCA established a Non-Qualified Supplemental Executive Retirement Plan for the Chief Executive Officer. Contributions made by the YMCA to the plan amounted to \$20,791 in 2025 and \$29,041 in 2024.

METROPOLITAN YOUNG MEN'S CHRISTIAN ASSOCIATION OF THE ORANGES, INC.

NOTES TO COMBINED SCHEDULE OF EXPENDITURES OF FEDERAL AND

STATE AWARDS

DECEMBER 31, 2025

1. Basis of Presentation

The accompanying combined schedule of expenditures of federal and state awards (the Schedule) includes the federal and state grant activity of The Metropolitan Young Men's Christian Association of the Oranges, Inc. under programs of the federal and state government for the year ended December 31, 2025, and is presented on the accrual basis of accounting. The information in these Schedules is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance)* and *New Jersey (NJ) Circular Letter 25-12 OMB Single Audit Policy for Recipients of Federal Grants, State Grants and State Aid*. Because the Schedule presents only a selected portion of the operations of The Metropolitan Young Men's Christian Association of the Oranges, Inc., it is not intended to and does not present the financial position, changes in net assets, or cash flows of The Metropolitan Young Men's Christian Association of the Oranges, Inc.

2. Summary of Significant Accounting Policies

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the *Uniform Guidance and in the New Jersey (NJ) Circular Letter 25-12 OMB Single Audit Policy for Recipients of Federal Grants, State Grants and State Aid*, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

3. Indirect Cost Rate

The Metropolitan Young Men's Christian Association of the Oranges, Inc. has elected not to use the 15 percent de minimis indirect cost rate as allowed under the *Uniform Guidance*.

4. Relationship to Basic Combined Financial Statements

Federal and state expenditures are reported in the basic combined financial statements as Program Activities. The expenditures reported in the basic combined financial statements may differ from the expenditures reported in the Schedule of Federal and State Awards due to program expenditures exceeding grant or contract budget limitations or matching or in-kind contributions which are not included as Federal and State Awards.

5. Subrecipients

During the year ended December 31, 2025, the YMCA did not provide any funds relating to their federal or state programs to subrecipients.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

The Board of Directors
The Metropolitan Young Men's Christian Association of the Oranges, Inc.
304 S Livingston Avenue
Livingston, New Jersey 07039

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the Metropolitan Young Men's Christian Association of the Oranges, Inc. which comprise the statement of financial position as of December 31, 2025, and the related statements of activities, changes in net assets and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated June 10, 2026.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Metropolitan Young Men's Christian Association of the Oranges, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Metropolitan Young Men's Christian Association of the Oranges, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency* in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of the internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations during our audit, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Metropolitan Young Men's Christian Association of the Oranges, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of those tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Report on Compliance for Each Major Federal and State Program

Opinion on Each Major Federal and State Program

We have audited Metropolitan Young Men's Christian Association of the Oranges, Inc.'s compliance with the types of compliance requirements identified as subject to audit in the OMB Compliance Supplement and *New Jersey (NJ) Circular Letter 25-12 OMB Single Audit Policy for Recipients of Federal Grants, State Grants and State Aid* that could have a direct and material effect on each of Metropolitan Young Men's Christian Association of the Oranges, Inc.'s major federal and state programs for the year ended December 31, 2025. Metropolitan Young Men's Christian Association of the Oranges, Inc.'s major federal and state programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, Metropolitan Young Men's Christian Association of the Oranges, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal and state programs for the year ended December 31, 2025.

Basis for Opinion on Each Major Federal and State Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance)* and *New Jersey (NJ) Circular Letter 25-12 OMB Single Audit Policy for Recipients of Federal Grants, State Grants and State Aid*. Our responsibilities under those standards and the Uniform Guidance and NJ Circular Letter 25-12 OMB are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Metropolitan Young Men's Christian Association of the Oranges, Inc. and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal and state program. Our audit does not provide a legal determination of Metropolitan Young Men's Christian Association of the Oranges, Inc.'s compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to Metropolitan Young Men's Christian Association of the Oranges, Inc.'s federal and state programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Metropolitan Young Men's Christian Association of the Oranges, Inc.'s compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance and NJ Circular Letter 25-12 OMB will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Metropolitan Young Men's Christian Association of the Oranges, Inc.'s compliance with the requirements of each major federal and state program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance and NJ Circular Letter 25-12 OMB, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Metropolitan Young Men's Christian Association of the Oranges, Inc.'s compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of Metropolitan Young Men's Christian Association of the Oranges, Inc.'s internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance and NJ Circular Letter 25-12 OMB, but not for the purpose of expressing an opinion on the effectiveness of Metropolitan Young Men's Christian Association of the Oranges, Inc.'s internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A *deficiency* in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal and state program on a timely basis. A *material weakness* in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal and state program will not be prevented, or detected and corrected, on a timely basis.

A *significant deficiency* in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal and state program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance and NJ Circular Letter 25-12 OMB. Accordingly, this report is not suitable for any other purpose.
